Pay Plan Explained

At Pixel invest earnings are built on two plans: the gold matrix plan and the black gold plan. Together, they provide both individual growth and team-driven success.

HOW IT WORKS

1) Gold Matrix pay plan

. Example: You purchase the plan with just $500.

As cycles complete, this plan generates around $75.

2) Black Gold Pay plan

. Example: You purchase the plan with just $20000.

As cycles complete, this plan generates around $21000.
